June 26th 2020

Dear Tri Athletes,

The health and safety of everyone involved in the Greenfield Triathlon remains our top priority, so in light of continued health concerns regarding COVID-19 and guidance from local, state and federal authorities, we regret to announce that this year's triathlon will not take place. We thank our loyal participants, volunteers, and sponsors for their continued support, and look forward to bringing the triathlon community together again in 2021.

Sincerely,

Christy Moore, Race Director,
and the entire Race Committee Greenfield Triathlon 2020

"To Finish is to Win"
